Professional Experience

ANFIN (Commodities Derivative)

Aug 2024 - Present

Senior Performance Digital Marketer

- Led multi-channel performance strategies, optimizing a 3-stage conversion funnel: Registration → eKYC → MXV Account Opening.
- Deployed **Automated Content Generation** using **OpenClaw** to crawl real-time market news and automate ad creative production.
- Architected automated reporting systems via Looker Studio for real-time ROI and acquisition monitoring.
- Engineered **Mautic** automation workflows to nurture leads and accelerate conversion velocity.

Key Performance Highlights (2025 vs. 2024 Audit):

- Achieved a 275.3% YoY increase in successful MXV Trading Account openings.
- Boosted eKYC-to-Account conversion rate from 12.9% to 34.0%.

ELSA SPEAK

Feb 2022 - Dec 2023

Senior Performance Marketing Specialist

- Managed a monthly performance budget of **$8,000** for App UA campaigns across Google and Facebook.
- Integrated and optimized **Branch.io** tracking to accurately attribute performance from Deep Links and diverse acquisition sources.
- Leveraged **GA4** and **Google Tag Manager** to analyze in-app user behavior and significantly reduce drop-off rates during checkout.
- Achieved 170% revenue KPI with a steady average ROAS of 3.85.
- Administered HubSpot CRM to streamline MQL-to-SQL handoff for the B2B Business Development team.

RECRUITERY

Jan 2020 - Dec 2021

Digital Marketing Specialist

- Built a custom open-source CRM and automated email system, achieving a 60% open rate.
- Ranked 20+ high-competition keywords in the Top 1 of Google Search within 6 months via Technical SEO.
- Integrated Metabase with company databases for advanced SQL-based data visualization.
- Automated social distribution for job postings using Zapier and RSS integrations.
